

Surrey Examination Couch – 3 section

This Australian made examination couch exceeds all expectations. With a full size table top it is long enough and wide enough to suit majority of clients. The minimum height of just 45cm makes access for frail, elderly and disabled clients easy and safe. The maximum height of 95cm is high enough for the tallest carers to work ergonomically and comfortably. Manual or electric height adjustment allows ease of use while caring for client. The adjustable head and foot section allows more flexibility in use from a simple plinth through to a chair configuration.

Available in 600mm or 710mm widths and 200 or 350kg safe working load.

Short or long breathe holes with plugs are available
