## HEADREST SUPPORTS Product Code 1270

1270

- Lightweight, pressure relieving headrest pads offer comfort and support.
- Headrest covers are removable for cleaning.
- Aluminium headrest inners provide strength.

## **Multi-Adjustable Headrest**

Unique design that doesn't have a protruding mechanism at the rear.

Quick release lever allows the headrest to be removed in an instant.

Huge adjustment range
Fine adjustments for optimal positioning are 'locked-off' securely.

#### Basic Headrest System

Basic headrest mechanism with height and depth adjustment only.

## Headrest Pad Options

### **Square Pad**

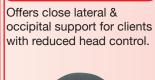

Easy to install

Strong components

Ø

Basic, compact headrest for clients with good head control.

**Contoured Pad** 

### Multi-adjustable Lateral Support Pad
