COLIBRI Mobility Scooter

The Colibri Compact 4 Wheel is a stylish, simple and colourful micro-lightweight scooter designed for those who enjoy an independent lifestyle. Thanks to the unique LiteLock system this compact scooter can easily be taken apart without requiring tools - meaning it fits neatly into any car boot! With its small footprint (meaning greater manoeuvrability) in tight or limited spaces; there's no reason why you shouldn't give one of these awesome little scooters a try today.

Features

- **Effortless Dismantling** - Don't think - do it! Less than a minute is all that's needed to disassemble the Colibri for transportation.
- **Increased Comfort** - The soft, padded seat provides comfort during driving. For increased comfort, there is also the optional 'east fit' seat suspension kit.
- **Ergonomic Handlebar and Plastic Basket** - For greater comfort and prevents fatigue in hands and wrists.
- **Choose from five great colours**
