# Oslo President Recliner Chair with Ottoman

Sleek and streamlined, the clean lines and refined design of the President Recliner Chair with Ottoman is a delightful combination of form and function that brings sophisticated comfort to any home.

Whilst not a lift chair, the higher seat and taller arms rests of the President ensure sitting and rising is easier than ever whilst body-nurturing moulded foam cushioning provides the ultimate in luxurious comfort.

The President incorporates specialised features such as the 'Just Right' Headrest™, an exclusive adjustment system that allows the head and neck to rest in an infinite number of comfort positions whilst the Comfort Glide™ Reclining System allows you to effortlessly recline as your heart desires.

The President also comes equipped with an angled ottoman that includes an exclusive circulation enhancing pivot board providing targeted comfort and relief. Finished in the matching premium leather and quality hard wood frame, the President Recliner and Ottoman pairs perfectly and provides a sophisticated and complete look.

Unparalleled Scandinavian design offers supreme luxury and designer looks to elevate the décor of any home.

The President Recliner Chair with Ottoman boasts superior Scandinavian design, perfectly crafted for relaxation and comfort with features to support sitting, standing, and exiting with ease.
